Channel your child's inner astronaut, doctor, architect, scientist, engineer or detective at Science Central's popular Summer Camps! Help stop "summer brain drain," and keep your child engaged and involved in learning when you enroll them in one of our many summer camp offerings. There are a wide variety of subjects to interest your child, and you'll find Science Central Summer Camps are some of the most affordable camps around!

Camps start the week of Monday, June 4, and continue through the week of Friday, August 3, 2018 (No camps June 25-29 and July 2-6). Check out what we have to offer this year:

- 7 Weeks of Single Day Camps: Ages 5-11
- Full Day, Week-Long Tech Camps: Ages 8-13
- Half Day Week-Long Lego Camps: Ages 5-13 (vary by session)

Special Notes:
- Walk-ins will not be permitted on the day of the event.
- Must provide lunch for all day campers.
- Registration deadline is 10 a.m. 7 days BEFORE each full week of camp.

Full S.T.E.A.M. Ahead!
Summer Camp at Science Central

For: Age 8 – 11
When: June 18 -22
Full Day Time: 8:30 a.m. – 4 p.m.
Registration: Science Central

Discover how art and science interwine! Explore the physics of sound and make music in unexpected ways. Discover how insects dance to communicate and how different materials and textiles are prepared. Investigate the physics of color and construct robots that can draw for us! We are moving full S.T.E.A.M ahead!

 Supported by the Indiana Arts Commission, Arts United, and the National Endowment for the Arts, a federal agency.
